

Why You Should Join the Cleburne County Chamber of Commerce

The Cleburne County Chamber of Commerce is a member driven not-for-profit organization that was incorporated in July 1990. It is a partner with business, organizations and citizen members and a catalyst through which action can be taken to improve and build the community.

Your Investment Gives You:

---An additional marketing and sales office. We tell the story of the community to prospective industrial clients; newcomers and visitors. We ensure that your organization is part of that information packet and informs you of any potential expansion opportunities for you.

---A non-political forum that offers a central clearinghouse for community programs and activities.

---A monthly meeting with speakers that are geared to your business and organizational needs.

---An advocate for legislative activity at all levels.

---A partner to assist with research, grant application, employee issues, correspondence and preparation of pamphlets, brochures and publications to expand your market.

---The opportunity to network and develop collaborative programs that affects your bottom line.

---A direct line to Alabama state agencies that can assist and improve your organization.

---A web site that will tell your story, promote your business and expand your market share.

---An organization that is dedicated to working to make the community an ideal place to live, work and play.
